

I'm not robot!

"Employee Portal will significantly upgrade the user experience for worksite employees and managers. The interface is intuitive and makes it easier to find the information you need. We also have more control over customizing the look and feel for each of our clients."

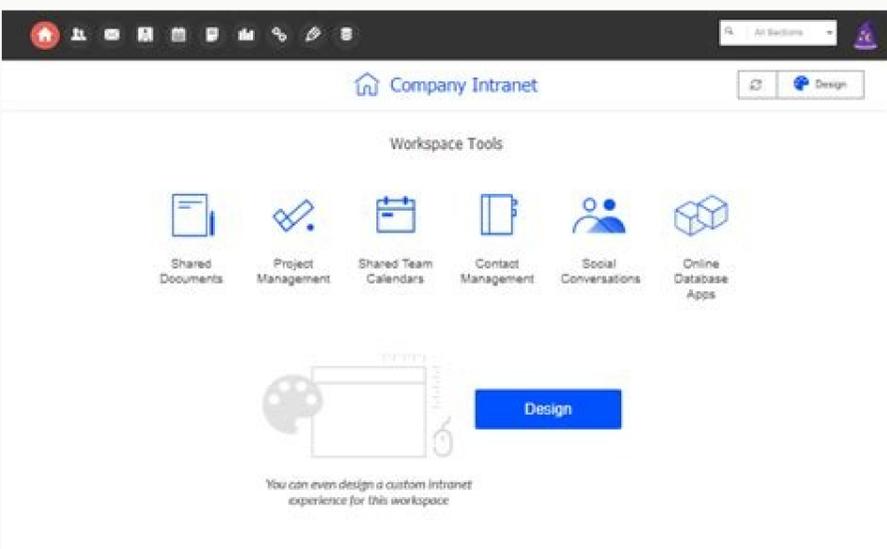

**Amanda Vaughn-Vargas**  
Implementation Professional  
Optimum Employer Solutions

"Setting up Employee Portal was easy and intuitive, and I like the ability to give it a personalized look and feel. Our clients appreciate all the ways you can customize the experience, as well as the amount of information available at an employee's fingertips."

**Michelle Mathisen**  
Operations Manager  
Total Human Resources

Access your human resources and payroll information about the easy-to-use application. In the Prismhr Employee Portal app, you have full access to your human resources and payroll information when you need it. Applications for payment and payment history of the management of free time documents if you are a summary of benefits "In a manager, you can approve requests for free time, see employee details and more. April 26, 2022 Version 1.0.3 A problem was solved that was connected to accounts that use a portal URL for toilet/personalized employees. I was very excited about this because I was tired of having to go to the website on my phone, but unfortunately it's just a link to the website, it's to be expected that an update will be the developer. Prismhr, indicated that the "Privacy practices can include data management as described below. For more information, see the developer's Privacy Policy. The developer does not collect any data from this application. Privacy practices may vary, for example, depending on the characteristics you use or your age. Learn More Application Support Privacy Policy "I stepped into an executive capacity for an organization that outsourced its human resources management and employment to ESC. Before that, I was not familiar with the PEO model." Now I have been working with them, the efficiency of the integrated human resources model, payroll and benefits is invaluable to my organization." CEO, Buffalo leadership Read more of our customers Click the previous GMS connection button to be taken to the employee portal. Step 1: Locate your access code initiated on the employee portal as you would normally do on a desktop or mobile browser.
