It transports people and cargo throughout North America and to destinations in Asia, Europe, Africa, the Pacific, the Middle East and Latin America. UAL, via United and its regional carriers. The company was founded on December 30, 1968 and is based in Chicago, IL. Risk Moody's Daily Credit Risk Score is a score of 1-10 of a company's credit risk, based on an analysis of the company's balance sheet and stock market inputs. The score provides an early, one-year measure of credit risk, allowing investors to make better decisions and streamline their work. Updated daily, it takes into account daily movements in market value relative to a company's accountability structure. % owner Freefloat 99.77 Vanguard Group, Inc.
