The book "History Of The World" provides an in-depth look at historical events from the late 19th century to the early 21st century, written by two renowned Indian historians. Published in 2009, the book covers world wars I and II, the Civil Rights Movement in America, nationalist movements in Asia and Africa during the 1950s and 1960s, the birth of the United Nations in 1945, and the Cold War between the Soviet Union and the United States. The authors have created an interlink between events and forces to help readers understand world history. This book is suitable for undergraduate students of history and international relations, as well as anyone interested in learning more about significant events that shaped the world. Given article text here "the events of the 20th century were complex" becomes "the 20th century was very complex" "the authors have done a great job in doing justice to all most all major events bringing out the facts." becomes "the authors did an excellent job covering all the major events and presenting them with facts." "Highly recommend for beginners" becomes "perfect for beginners" "incorrect maps, a lot of them" becomes "many incorrect maps are present throughout the book" "over simplified" becomes "oversimplified" "factual errors e.g. as per the book, Kargil war took place in 1998." becomes "the book incorrectly states that the Kargil war occurred in 1998" "Non-alignment to the core" becomes "its focus on neutrality is commendable" The book provides a concise overview of world history from 1890 onwards to the present day. While it does not shy away from discussing atrocities committed by communist regimes, it also presents an objective narration of major historical events. The authors' writing style is clear and simple, making it easy for readers to follow along. The book covers various ideologies like socialism and capitalism, as well as events and circumstances that led to World Wars. Additionally, it touches on the role of NAM in today's multipolar world. While some readers may find the language too straightforward or the details lacking, the book serves as a good primer for those looking to gain a basic understanding of major historical events. This book delves into major global events from World War I to the Soviet Union's collapse, making it an ideal read for those looking to grasp important milestones in modern history. The authors' concise writing style makes complex ideas easily digestible. A must-read for history students and anyone interested in world affairs.
