94 grand cherokee interior fuse box diagram

Fuse box diagram (fuse layout), location, and assignment of fuses and relays Jeep Grand Cherokee (WK2) (2014, 2015, 2016, 2017, 2018, 2019).Checking and Replacing FusesA fuse is an element for protecting the electrical system. A fuse will trip (i.e. it will blow) in the event of a failure or improper interventions in the electrical system.If an electrical device is not working, check whether the respective fuse is blown. Look at the silver-colored band inside the fuse. If the band is broken or melted, replace the fuse. Check those fuses first that protect the failed component, but check all the fuses before deciding that a blown fuse is not the cause. Replace any blown fuses with another with the same amperage (same color) and check the component's operation.Engine Compartment Fuse Box DiagramThe Power Distribution Center is located in the engine compartment near the battery.This center contains cartridge fuses, micro fuses, relays, and circuit breakers. A description of each fuse and component may be stamped on the inside cover. Otherwise, the cavity number of each fuse is stamped on the inside cover that corresponds to the following chart.№AProtected Component1- -2- -360Radiator Fan4- -540Compressor for Air Suspension640Anti-lock Brakes/Electronic Stability Control (Pump)7302016-2019: Starter Solenoid402014-2015: Starter Solenoid840Diesel (2014-2015): Emission sensors930Diesel: Fuel Heater, Brake Vacuum Pump (2016-2019)30Gasoline (2016-2019): Brake Vacuum Pump1040Body Control Module (BCM) (Exterior Lighting №2)1130Trailer Tow Electric Brake1240Body Control Module (BCM) (Power Locks)1340Blower Motor Front1440Body Control Module (BCM) (Exterior Lighting №1)15402018-2019: LTR (Low Temperature Radiator) Engine Cooling Pump16- -1730Headlamp Washer18- -19202016-2019: Headrest Solenoid2030Passenger Door Module21- -2220Engine Control Module2330Body Control Module (BCM) (Interior Lights №1)2430Driver Door Module2530Front Wipers2630Anti-lock Brakes/Stability Control Module (Valves)27- -2820Trailer Tow Backup Lights2920Trailer Tow Parking Lights3030Trailer Tow Receptacle, Trailer Tow (Separate E-Brake), Trailer Tow (BUX)31- -3230Drive Train Control Module33- -3430Electronic Limited Slip Differential Module3530Sunroof, Sunroof Shade Motor3630Rear Window Defroster37252015-2019: Rear Blower Motor302014: Rear Blower Motor3830Power Inverter 115V AC3930Power Liftgate4010Daytime Running Lights, Headlamp Leveling41- -4220Horn43- -4410Diagnostic Connector4552018-2019: Cyber Security Gateway46102014-2015: Tire Pressure Monitor47- -48- -4910Integrated Central Stack, Climate Control5020Air Suspension Module, Electronic Limited Slip Differentials51152015-2019: Keyless Ignition Node Module, Radio Frequency Hub Module, Steering Column Lock102014: Keyless Ignition Node Module, Radio Frequency Hub Module, Steering Column Lock5252014-: Intelligent Battery Sensor5320Trailer Tow – Left Turn/Stop Lights54- -55- -5615Diesel: Additional Content57202016-2019: NOX Sensor152014: Transmission Control Module152014-2015: HID Headlamps LH58152016-2019: HID Headlamps LH5910Diesel: Purging Pump6015Transmission Control Module6110Diesel (2015-2019): Transmission Control Module, PM Sensor6210Air Conditioning Clutch6320Gasoline: Ignition Coils, Short Runner Valve Actuator20Diesel: Urea Heater6425Fuel Injectors, Powertrain Control Module (PCM)65- -6610Sunroof Motor, Sunroof Shade, Passenger Window Switches, Rain Sensor, Inside Rearview Mirror, Charging USB Port, Dedicated Short Range Communications (DSRC), DTV6715CD/DVD/Bluetooth Hands-free Module, Left/Right Seatback Video Screen Module, UCI Port, USB Charging Port6820Rear Wiper Motor69152015-2019: Spotlight Feed7020Fuel Pump Motor7130Audio Amplifier, ANCM72102016-2019: Powertrain Control Module (PCM)7315HID Headlamp RH74202014-2015: Brake Vacuum Pump75102016-2019: Dual Batt Control7610Anti-lock Brakes/Electronic Stability Control7710Drivetrain Control Module, Electronic Limited Slip Differential Module7810Engine Control Module, Electric Power Steering79- -8010Universal Garage Door Opener, Compass, Anti-Intrusion Module8120Trailer Tow Right Turn/Stop Lights8210Steering Column Control Module, Cruise Control, DTV8310Fuel Door Switch8415Switch Bank, Instrument Cluster8510Airbag Module8610Airbag Module8710Air Suspension Control Module, Trailer Tow Module, Steering Column Control Module8815Instrument Panel Cluster, Security Gateway (SGW), Integrated Trailer Brake Module (ITBM)89- -9020Power Outlet (Rear seats)919210Rear Console Lamp9320Cigar Lighter9410Shifter, Transfer Case Module9510Rear Camera, Park ASsist Module, License Lamp, Rear Blind Spot Sensors9610Rear Seat Heater Switch, Flashlamp Charger97202015-2019: Rear Heated Seats, Heated Steering Wheel252014: Rear Heated Seats, Heated Steering Wheel98202015-2019: Front Heated Seats, Ventilated Seats252014: Front Heated Seats, Ventilated Seats9910Climate Control, Driver Assistance Systems Module, Dedicated Short Range Communications (DSRC), Adaptive Cruise Control Module, HALF10010Active Damping Control Module10115Electrochromatic Mirror, Smart High Beams, In Car Temperature Sensor, Humidity Sensor102- -10310Cabin Heater (Diesel), Rear HVAC10420Power Outlets (Instrument Panel, Center Console, Rear Cargo)Circuit BreakerCB125Power Window, Power Door LockCB225Driver Power Seat, Memory Seat ModuleCB325Passenger Power SeatRelayR1Radiator Fan (Low Speed)R2Radiator Fan (High Speed)R3Air SuspensionR4Selective Catalytic Reduction (SCR)R5Auto Shut Down (Powertrain Control Module)R6Ignition (Run/Accessory №1)R7StarterR8Ignition (Run/Start)R9Fuel Heater (№1)Air Pump (№2)R10EBLR11- -R12Ignition (Run/Only №2)R13Franger HeaterR14Ignition (Run/Accessory №2)R15Ignition (Run/Only №1)R16Blower Motor
