If mobile gaming is your passion and you want to get paid to create guides, you're in the right place. Check out our job ad today! Mobile Gaming Garena Free Fire Garena has pushed a new patch for Free Fire as the next seasonal update. This patch is known as Free Fire World Series Update and the newest version is slowly being pushed on all the official application stores. If you have not received any update and want to update the game as soon as you can, use the links given below to download this new update. Free Fire is a popular battle royale game with a very large player base. This game is well known for their in-game skin lines and unique collaborative events which bring various aspects of different industries in to the game in the form of items and cosmetic stuff. The new update has brought in lots of changes to the game. The developers have added two new characters to the game and other overpowered characters like Chrono have been nerfed heavily. The most awaited 'Bermuda Remastered' map is finally being added back to Clash Squad and Ranked modes as well. A new ranked season for Clash Squad mode begins with this update. Players can also enjoy a new weapon and weapon store alongside the dynamic changes which have been introduced in to this mode. Free Fire World Series APK + OBB Download Links If you are trying to download the game then use the links given below and replace the files with your old game files and enjoy the new update. If you face any problem, redownload the files and make sure that the "Install from other sources" toggle is enabled in your phone settings. Simply click on the links and download the files and then you can enjoy all the new features provided with this new update.
