The process can be rather complicated and time-consuming, which is why we recommend using our web browser. The procedure is less stressful, and it takes no more than two minutes. Can You Request a Walmart Refund Via Yes/No DoNotPay Yes Mail Yes Phone No In person Yes Online No Mobile app Yes What Is Walmart Refund Policy? You can return almost anything that Walmart sells. On the Walmart website, you can check your purchase history, which displays the latest eligible date for a return or replacement. We recommend keeping the original packaging and your receipt for a minimum of 90 days after purchase. If you purchased any items from dealers or resellers and not Walmart or a Walmart online store directly, you will not be eligible for a return, refund, or exchange. How Long Do Walmart Refunds Take? Depending on an item you've purchased and how you've purchased it, a refund could take up to two weeks. You need to return the item to the store or you are sending it by mail, it can take from two to three weeks. If you purchased a product with your credit or debit card, the refund should be available in five business days. How to Receive a Walmart Refund on Your Credit/Debit Card If you bought an item with a credit card, you have to request a refund to that same credit card. If your credit card is not available when the receipt is scanned, then the refund will be transformed into a Walmart gift card instead. If you made a purchase with a debit card, then you will receive a refund on the same debit card or in cash. Can You Receive a Walmart Refund Without the Receipt? Yes, you can receive a refund even if you don't have a receipt. You need to provide a legit, government-issued photo ID instead. Your ID information will be secured in the Walmart database and will be used to authorize returns and refunds. If the refund verification process allows the return, you will have some options at your disposal. In most cases, you will be able to choose from the following: Sending your package to be repaired Replacing it with another item Returning the item and receiving a cash refund if the purchase cost was lower than \$25 Receiving a refund in the form of a Walmart shopping card or gift card if you return an item that is more than \$25 What Is the Walmart Refund Verification Process? If you are looking to request a refund from Walmart without a receipt, you need to go through the refund verification process. If the verification process is successful, your refund will be accepted. In order for your item to pass the verification process, you need to have its original packaging and then: A worker at Walmart will scan the barcode on the original package The computer will tell if the package is eligible for return You will be asked to show your photo ID Your ID will be checked in the Walmart's database If everything is in order, you will be able to return the package and collect your refund. What Is the Walmart Refund Policy on Electronics? Unlike other purchases in Walmart that need to be returned within 90 days, most electronics must be returned within 30 days to be eligible for a refund. Those electronics include: Camcorders and digital cameras TV's Drones Radio-controlled vehicles Hoverboards Musical instruments and DJ equipment Electric bicycles and scooters Tablets, e-tablets, and e-readers Video game hardware 3D printing supplies and products Smartwatches and activity trackers Digital music players As for the prepaid cell phones, they must be returned within 14 days.
