Hinton's 1967 novel *The Outsiders*, which tells the story of Ponyboy Curtis and his gang of friends, known as the Greasers. Ponyboy and his friends encounter loss and grief and learn right from wrong. Many schools also show Francis Ford Coppola's 1983 film adaptation, making *The Outsiders* an integral part of modern American culture even 40 years after its release. Virtually every young star of the film would become a massive Hollywood star with careers that have spanned decades. The young cast, which included Tom Cruise, Matt Dillon, Rob Lowe, Patrick Swayze and Diane Lane, was a whos-who of the decades rising talent. But what are the stars up to now? Heres what to know about the Outsiders cast today. Warner Brothers/courtesy Everett ; Jason Mendez/Getty C. Thomas Howell, 56, played Ponyboy Curtis, the Outsiders protagonist. Ponyboy is a young Greaser who gets jumped by a rival gang, the Socs, instigating a deadly rivalry. The Outsiders was Howells first starring role after having a small part in E.T. the Extra-Terrestrial the year prior. Throughout the rest of the 80s and into the 90s, Howell landed other lead roles in hits such as Red Dawn (1984), Soul Man (1986) and Gettysburg (1993). In more recent years, Howell has been seen in recurring roles on TV series like Southland (20092013), Animal Kingdom (20162018) and The Walking Dead (20182021). In 2022, Howell released his first-ever single titled Rose Hill under the name Tommy Howell. When speaking to PEOPLE, Howell said he was inspired to write the song while walking through the Rose Hill Cemetery in Macon, Georgia, where members of the Allman Brothers Band are buried. As I was standing there, I couldn't help but think how it wouldn't be bad to just lay down right there, jam with the Allmans and listen to the trains go by down by the river, he said. That's how this song was born." Howell will next star alongside Dennis Quaid in the film Reagan, a Ronald Reagan biopic. Howell will star as Reagans secretary of defense, Caspar Weinberger. Warner Brothers/courtesy Everett ; Sean Zanni/Getty Ralph Macchio, 61, played Johnny Cade, Ponyboys friend who kills one of the Socs after theyre attacked one night. The Outsiders was Macchios first major acting role. Speaking to Drew Barrymore on her show in 2022, he recalled the movies unnering audition process. Every actor was in one big soundstage with all the actors sitting around the perimeter, and Francis would call different actors to read different roles and would mix and match, he said. Macchio continued: Youre already sweating because youre in the room with one of the great filmmakers and storytellers in American cinema history. Everybody wants to be in this movie because they love the book, and yet youre watching everyones audition and watching the reaction of the director. It was really important for him to mix and match and see the chemistry because these boys all knew each other and had history together. The following year, Macchio would find further success as Daniel LaRusso in The Karate Kid (1984). Over the next decade, Macchio landed leading roles, starring in The Karate Kids two sequels in 1986 and 1989 and joining Joe Pesci in the hit comedy My Cousin Vinny (1992). In 2018, Macchio returned to the Miyagiiverse for the series Cobra Kai, reprising his role as Daniel LaRusso. In January 2023, Netflix announced that Cobra Kais sixth and final season was on the way. Off-screen, Macchio has been married to Phyllis Fierro since 1987. The couple met at a party when Macchio was just 15. In a 2021 interview with PEOPLE, Macchio recalled the party: "This is 1970 or whatever, so this is Cheez Doodles, 7Up, Tootsie Rolls, probably the Ruffles with onion dip, he said. She was a friend of my cousin, and we just smiled and talked and danced a little. Probably the Hustle!" The couple have two children, Julia and Daniel. Warner Brothers/courtesy Everett ; Vittorio Zunino Celotto/Getty Matt Dillon, 59, played Dallas Dally Winston, one of the older Greasers who is hardened from his previous life of crime and poverty in New York City. A few years before The Outsiders, Dillon had made a name for himself in movies including Little Darlings (1980) and Tex (1982). After starring as one of the Greasers, Dillons career flourished over the next two decades, and he landed starring roles in movies like The Flamingo Kid (1984), Theres Something About Mary (1998), Wild Things (1998) and Crash (2005). Next up, Dillon will star in Wes Andersons Asteroid City. In 2022, Dillon appeared on Danny Pellegrinos podcast Everything Iconic, where he recalled his fond memories of working on The Outsiders. I think everyone got along great when we made the film, but I was closest I think with Tommy [Cruise] and with Ralph because we had a lot of scenes together, he said. But we all got along. Its a very familial atmosphere, working with [Coppola]. Off-screen, Dillon has been dating actress and dancer Roberta Mastromicichele since 2014. Warner Brothers/courtesy Everett ; Barry Brecheisen/WireImage Patrick Swayze starred as Darrel Darry Curtis, the oldest Curtis brother who raises his brothers Ponyboy and Sodapop after the death of their parents. The Outsiders was Swayzes first major role, but throughout the 80s and 90s, he became one of the biggest stars in Hollywood, thanks to his leading roles in blockbuster hits including Dirty Dancing (1987), Road House (1989), Ghost (1990) and Point Break (1992). Swayze continued acting into the 2000s, working on smaller indie projects and straight-to-video releases. In 2008, Swayze was diagnosed with pancreatic cancer, and initially had an encouraging prognosis; in March of that year, Swayzes doctor said, Patrick has a very limited amount of disease and he appears to be responding well to treatment thus far. A year later, tabloids began reporting that Swayzes health was in decline, but the actor denied the reports, telling PEOPLE in part, Once again, I am one of the lucky ones with pancreatic cancer that is responding well to the treatment. On Sept. 14, 2009, Swayze died from pancreatic cancer at the age of 57. His reps told PEOPLE, Patrick Swayze passed away peacefully today with family at his side after facing the challenges of his illness for the last 20 months. Swayze married dancer and choreographer Lisa Niemi in 1975 and remained with her until his death. In 2023, Niemi told the Today show that she still loved him. "Just because somebody's gone doesn't end your relationship with them, she said. We spent 34 years together, and that's always going to be a part of my life and who I am." Warner Brothers/courtesy Everett ; Rich Polk/Getty Rob Lowe, 59, played Sodapop Curtis, the middle brother of Darry and Ponyboy, who often made jokes to mask his true emotions. The Outsiders was Lowes first major film, which launched him straight into the Brat Pack. He starred in films including St. Elmos Fire (1985) and Waynes World (1992). Hes also had leading roles on TV shows including The West Wing (19992003) and Parks and Recreation (20102015), and he currently stars on 9-1-1: Lone Star, which premiered in 2020. In 1991, Lowe married Sheryl Berkoff and the couple have been together since. They have two sons: Matthew Edward, a businessman, and John Owen, an actor. In early 2023, Lowe and his son John starred side by side in the Netflix comedy series Unstable. Both 9-1-1: Lone Star and Unstable have been renewed for more seasons. Warner Brothers/courtesy Everett ; Jason Mendez/Getty Emilio Estevez, 61, played Keith Two-Bit Matthews, one of the Greasers and a good friend to the Curtis brothers. Like much of the cast, The Outsiders was Estevezs first major role, but it was far from his last. He went on to star in films like The Breakfast Club (1985), St. Elmos Fire (1986), Young Guns (1988) and The Mighty Ducks (1992). Estevez also comes from a famous Hollywood family. His father is Martin Sheen, known for his roles in The West Wing and Grace and Frankie, and his brother is Charlie Sheen from Two and a Half Men. In his personal life, Estevez dated model Carey Salley on and off throughout the 80s. The pair had two children, son Taylor Estevez and daughter Paloma Estevez. He was also briefly engaged to Demi Moore in 1986 and was married to dancer and singer Paula Abdul from 1992 to 1994. In 2006, he became engaged to journalist Sonja Magdevski, with whom he started a winery. They have since ended their relationship. In May 2023, Estevez confirmed to Uproxx that he wrote Guns 3: Alias Billy the Kid, the third instalment in the Young Guns franchise. The release date has yet to be announced. Moviestore Collection Ltd / Alamy ; JC Olivera/Getty Tom Cruise, 60, played Steve Randle, a member of the Greasers and Sodapops best friend who works with him at a gas station. Though The Outsiders was Cruises first major film, he would shoot to fame just a few months later when Risky Business premiered. Throughout the 80s and 90s, Cruise continued to star in hit movies such as Top Gun (1986), Rain Man (1988), Born on the Fourth of July (1989), Mission: Impossible (1996) and Jerry Maguire (1996). In recent years, Cruise has continued to star in blockbuster hits, including the Mission: Impossible sequels, the Jack Reacher franchise and Top Gun: Maverick (2022), which became one of the highest-grossing films of all time. Cruise has been married three times, most recently to actress Katie Holmes from 2006 to 2012 with whom he had daughter Suri Cruise, born in April 2006. Before Holmes, Cruise was married to Mimi Rogers from 1987 to 1990 and to Nicole Kidman from 1990 to 2001. He and Kidman welcomed two children, Isabella Jane and Connor Antony. Warner Brothers/courtesy Everett ; Paul Morigi/Getty Diane Lane, 58, played Sherri Cherry Valance, a Soc girl and Ponyboys crush. Throughout the novel and film, she tries to de-escalate the tension between the Greasers and the Socs. Before starring in The Outsiders, Lane already had a few notable roles under her belt, including starring opposite Kenny Rogers in Six Pack (1982). Though Lane continued acting throughout the 80s, her biggest roles came in the 1990s and 2000s when she starred in movies such as Judge Dredd (1995) and The Perfect Storm (2000). In 2003, she was nominated for an Oscar for her performance in Unfaithful (2002). She eventually joined the DC Extended Universe as Martha Kent, Supermans adoptive mother, in Man of Steel (2013), Batman v Superman: Dawn of Justice (2016) and Justice League (2017). During a 2017 Radio Andy interview, Lane recalled Coppolas unique tactics to ensure tension between the actors portraying the Greasers and Socs. Coppola kept the two groups separated throughout filming and, according to Lane, the actors playing the Socs actually got a little more [money] per diem to help flare tensions between the two groups. Off-screen, Lane was married to actor Christopher Lambert from 1988 to 1994. She and Lambert had a daughter, Eleanor Jasmine Lambert, in September 1993. Lane was later married to actor Josh Brolin from 2004 to 2013. According to Deadline, Lane will star as American socialite and fashionista Slim Keith in season 2 of FXs anthology series Feud. The new season, titled Capotes Women, will feature a star-studded cast to portray controversial author Truman Capote and his entourage of conniving socialites. Tom Hollander will play Capote and Naomi Watts, Chlo Sevigny and Calista Flockhart will also star. Warner Brothers/courtesy Everett ; Albert L. Ortega/Getty Leif Garrett, 61, played Bob Sheldon, Sherris boyfriend who, along with some other Socs, attacks Ponyboy and Johnny. Johnny stabs Bob in self-defense, ultimately killing him. Before The Outsiders, Garrett had established himself as a musician best known for hits like I Was Made for Dancin and Feel the Need," and had starred in films like Walking Tall (1973) and Gods Gun (1976). After his two hit albums in the late 70s, Garretts music career slowed down. After The Outsiders, he appeared in the now-cult classic Cheerleader Camp (1987) and the David Spade comedy Dickie Roberts: Former Child Star (2003). Throughout the 1990s and 2000s, Garrett lived with drug addiction. He went to rehab in 1999 to avoid jail time. In 2006, Garrett was arrested for possession and avoided jail time again by agreeing to enter a much more intense treatment facility, per the BBC. There, he was sent to jail for a drug violation after he tested positive for drugs while at the treatment facility. He was arrested for possession again in 2010 and joined the fourth season of Celebrity Rehab later that year. In 2019, he released a book, Idol Truth: A Memoir, chronicling his life as a former child star and his journey to sobriety. In early 2020, Garrett told Fox News that he was sober. Right now, Im just taking things one day at a time, he said. Im not in jail and Im not in rehab. It took a long time to get to a point where I dont have to self-medicate myself to escape the pain. That feels good. Hard drugs are a difficult thing, especially if youve done it for a while. I play music because I love it. I will always love it.
