Now you can login in member portal to check your EPF Status Online. Your UAN will be activated soon. And once the activation is complete, you will be prompted to create a login user id and password for accessing the UAN services. [Click Here to Activation UAN Number Online](#) [Click Here to Hotels near EPF Office](#) [Get upto 75% Off on Hotel Booking](#) The epf UAN activation is very important as the entire process related to the Employees Provident Fund (EPF) services are now being run online. It is now easy to withdraw money from your PF account through UAN. Similarly, you can also check EPF balance without employer help and apply for a PF loan online. Thus, we cover here Employee provident fund UAN activation process, methods, and epf online portal link. Table of Contents What is UAN? UAN stands for Universal Account Number provided by employee provident fund(epf). The UAN number serves as a single ID FOR multiple member IDs. Whenever the employee changes the organization and joins the other organization he/she gets a new pf member id. Thus, UAN combines all these ids issued by various establishments and forms one single UAN. Further, merging all the member ids to UAN helps the epf employee to see the details of all member ids attached to single UAN. Similarly, the employee shall inform the UAN to a new establishment, if an employee joins some other organization and he is already allotted UAN by his/her previous establishment. UAN Activation portal is the official address to activate and login on UAN Portal. You can activate and link your employee provident fund account with UAN number. Also, you can log in on this portal to access pf related services by using your UAN number. Similarly, you can also know your UAN number with simple steps. About Employee provident fund(EPF) UAN Activation There are things you need to consider to activate your UAN. The first thing is that you must have your UAN number with you. Secondly, you need to activate it by linking with your name, mobile and birthday details. How do I Know My UAN number? Here are the steps to find out your UAN number. From your Employer The easiest way to find your UAN number is by getting it from your employer. It may also present on your salary slip and other pf related correspondence with you. From The UAN portal The second way is to find it out through UAN Portal using your mobile number if already linked by your employer with your member ID. Here is how to do it. 1: Visit the UAN Portal at 2: Click the tab 'Know your UAN'. 3. Enter your mobile number 4. Enter the Captcha code. 5. Click on the Request OTP button. You will receive the OTP on mobile. Enter the OTP. Hit the submit button. You will see the below screen. 6. Enter all the details on the screen. Ensure the following things to enter correctly. Enter the name as appearing in your pf account. You may find it on your employee provident fund passbook or slip,you have options to enter either aadhar no/member id(PAN). Choose to enter anyone.Click on the show my UAN. You will see the UAN number on the screen as shown below. These are the recent steps in 2020 to find out your UAN number from the Portal. Also, See how to check aadhar card status online. Online UAN Activation Process 1. Visit the EPF Portal link at 2. Click on "ACTIVATE UAN" under important links 3. On the next screen enter the details 4. Fill in the details like Aadhar number, Name of the member, Date of Birth, Mobile no. Email id(optional) and captcha characters. 5. Click on the "Get Authorization Pin" button to receive the passcode on your registered mobile number. 6. Enter the OTP received on the next screen >> Click on the "Validate OTP and Activate UAN" button. You will see your epf UAN is activated on the screen after successful validation. After that, you will receive a password on your registered mobile number. With the help of the password now you can log in to the UAN portal. UAN Activation Method You can activate your UAN through online UAN Portal as stated in the above process and through SMS. UAN Activation by SMS You can activate the UAN by sending the SMS from the registered mobile number. Here is how to do it. Type "EPFOHO UAN " and send it to 7738299899. The LAN stands for the first three letters of the language you want the SMS in. Currently, the available languages include English, Telugu, Punjabi, Gujarati, Marathi, Kannada, Malayalam, Hindi, Tamil, and Bengali. How to correct errors in UAN details? if your UAN number is already linked with your Aadhar then you need to update your KYC first to change the name in the UAN. Thereafter upload it on the portal under KYC documents. Similarly, you will have to contact your employer to accept these KYC documents. This is specifically if are looking to make the Correction in the name. Further, if you want to correct errors in the address, mobile number, and email you can do it online through the UAN portal. In order to make the changes in the address: Goto View >> ProfileClick on edit option to modify the existing detailsClick "Authorization pin" to receive the passcode on the mobileEnter the code and the system will update the new details. The uploaded KYC document by you will be approved by the employer, till then status of KYC will be shown as "Pending". List of KYC documents for PF updation The above process will help you to update your details with employee provident fund and UAN. Also, the UAN portal has direct UAN Allotment by Employees process, where the employee can enter his details and allot a UAN number. The link you can find it on the above UAN URL address. This is a simple process to activate your UAN number online. We hope your employee provident fund UAN activation process was smooth. Below are some of the FAQs on the UAN activation process. Frequently Asked Questions How to activate uan number? Visit . Click on "Activate UAN" button >> follow the onscreen instructions. Why epf uan activation is required? In order to withdraw pf amount and perform other online activities related to epf UAN activation is compulsory. How to activate uan by SMS? Type "EPFOHO UAN " and send it to 7738299899 from your EPF registered mobile number. What to do after uan activation? You can log in to the epf portal and download your passbook, check the epf balance, and see the contribution by the employer. How to activate uan without mobile number? Mobile linking with epf is a compulsory requirement to activate UAN. However, if you want to change the mobile number you will have to contact with your employer or approach to the nearest epf office. This is normally seen that most of the employees and workers not properly aware about how properly maintain his or her UAN and PF account. Also, they are operating this causally not understand the importance of its. But when they very need of it found them helpless and in very problematic situations. Some of basic and common problems mentioned below they faces: 1. Do not know his or her UAN Number 2. Do not know how to use UAN portal and how to active UAN 3. What to do if two UAN generated wrongly by employer how to merge into one UAN number. 4. How to see passbook of their PF Balance 5. How to merge or transfer all previous companies PF into one company 6. Companies left and shut down not able to contact to employer in that situation how to know their UAN number 7. Have very old PF number how to generate UAN number for this 8. Employee can not withdraw or transfer his PF account amount due to his data mismatch as per records (do not match with the Aadhar details) 9. How to correct wrong details in UAN like date of birth, his name, father name etc. Here is i try my level best to satisfy all these types of queries. 1st employee or worker should take care below things which help him much more to operate properly his UAN employee portal. 1. Keep update his or Aadhar details with correct data of him like proper full name, date of birth etc 2. His or her mobile number must be linked with Aadhar 3. His or her Bank name should be match with the Aadhar details 4. His or her PAN details should be match with the aadhar. Now if you know your UAN number (you can find it in your monthly pay slip or ask to your HR) Then activate this. Go to browser Provide your Uan Number Name and Date of Birth And click You will get op on your registered mobile number Submit that and you will redirected to generate password. If you do not know your UAN number Click on know your UAN – You will receive your UAN number on your mobile number. If you have your PF number but do not have UAN, to know UAN follow below process – After successful UAN activation and registration to you on EPFO member UAN portal. Keep log in and do first few below things on priority. 1. Submit Nominee details 2. Upload and submit all your basic KYC details Bank detail with IFSC code, Aadhar detail and Pan detail. (after submission this will go employer for DSC approval) 3. Check your service history (all employers details) – Provide UAN number and choose approval for present employer or past you want This will go the employer for DSC approval after that its merged to one account. 4. Why two UAN generated for an employee and how to merge it into one UAN . Mostly this type of errors was done in past few years before when Aadhar seeded details are not mandatory. For example an employee given his details to employee Pan etc. and his UAN generated after that he left the job and join another company but did not given his past UAN number to the current employer. Current employer also registers him into EPFO portal and generate a new UAN number. If this type of error happened do one thing , must update your aadhar into both UAN numbers. Once you update it then follow the process of one member one epf account and transfer old pf account details into new one. If Employee cannot withdraw or transfer his PF account amount due to his data mismatch as per records (do not match with the Aadhar details) And How to correct wrong details in UAN like date of birth, his name, father name etc. Click on profile and check your details you will find a change button for all entries at the right Click on that if details you want to change (make sure data should be correct in Aadhar) and submit this, this will go to employer for dsc approval. Please note if you are not able to change or correct your data online in that case you can do it manually also. For that purpose, you need to download "Joint declaration form" from EPFO site. And provide in the field which one date need to correct. (attached proper documentary proof) duly signed by this by both employee and employer and submit to EPFO office. This will take few days' time to correction. After all these successful doing. Now you are able to do below things. 1. See your EPFO Passbook 2. Transfer your EPFO balance from previous companies 3. Housing loan from PF 4. Medical Loan from PF 5. Covid-19 Loan from PF For all these above click on Online services button on the top right.
