We provide a happy, nurturing and stimulating environment where each child is individually supported to develop to their full potential. We have six day nurseries in Huddersfield and Halifax - Harlequin (Edgerton), Holly Bank (Birkby), Oakwood House Forest School (Edgerton), Bradley House (Bradley), Portland House (Lindley) and Fairfield (Shelf) - each with its own individual character. We have been providing outstanding childcare in the area for over 30 years, during which time we have looked after generations of families and become the benchmark for childcare in the area. We are proud to be at the heart of the community and have strong links with schools, charities and community groups. Our ethos focusses on outdoor activities, children's health and learning through play and our experienced team of highly trained and qualified early years educators ensure your child receives the very best start in life. We are a caring and friendly school, with high expectations for every learner.
